

## WHAT TO EXPECT

on your next flight with  
Omni Air Transport

### FLY WITH PEACE OF MIND

Omni Air Transport always provides the best in safety and service for our passengers and our employees. With our AircraftAssure process, every flight is medically disinfected and we have implemented new processes to further protect you and all of our passengers.

**24/7 charter hotline  
(918) 836-3131**

## Booking Your Trip

1. All passengers are required to complete a COVID-19 questionnaire.
2. On the questionnaire, you will indicate if a snack basket, drink cooler or other amenities will be included on the aircraft as well as your preferences for crew activity and baggage handling.
3. Masks and gloves are available to all crew and passengers. Crew will wear at their own discretion unless a specific preference is indicated on the COVID-19 questionnaire.
4. If there are any additional special requests or safety concerns for your trip, please let the charter team know.

## Arriving for Your Flight

1. Per usual, passengers will still drive planeside.
2. All passenger IDs will be checked. If requested, arrangements can be made for IDs to be handled by a pilot wearing clean gloves, or you may elect to hold your ID at arm's length for a pilot to view.
3. Our line service/crew pilots will load your baggage on the aircraft unless you indicated on your COVID-19 questionnaire that you would like to load your own.
4. We will refrain from handshakes to help keep our passengers safe.

## During Your Flight

1. Passengers may choose to sit in the rear most seats of the plane to distance themselves from the crew.
2. Per client request, the partition to the cockpit can be closed (as available - some airplanes don't have partitions).
3. If you have any concerns before, during or after your trip, you are encouraged to reach out to us 24/7. We are here to make sure you have a safe and 5-star experience.
